ANNEXURE "B" TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of M/s Indoworth Fabrics (Nagpur) Private Limited on the standalone financial statements for the period ended March 31, 2017

Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of M/s Indoworth Fabrics (Nagpur) Private Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the period ended on that date.

Management's Responsibility for the financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Notes on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implication and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Notes") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls based on the assessed risk. The procedure selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud and error.
5. We believe that the audit evidence we have obtained is sufficient to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that
- i. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and disposition of the assets of the Company.
 - ii. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of managerial and directors of the company; and
 - iii. Provide reasonable assurance regarding prevention or timely detection of unamortized acquisition, use, or disposition of the company's assets that could have material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financing reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

7. Statement of Significant accounting policies for the period ending on 31, March 2017

7.1 Basis of Preparation

The financial Statements of the Company have been prepared in accordance with the generally accepted accounting principles in India. The financial statements have been prepared to comply with all material respects with the mandatory Accounting Standards (AS) notified under section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared under the historical cost convention and on an accrual basis.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

7.2 Significant Accounting Policies

a) Use of Estimate

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, incomes, assets and liabilities and disclosures of contingent liabilities at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b) Taxes on Income

Current Tax is determined on the amount of tax payable in respect of taxable income for the year. Deferred Tax liabilities/assets are reviewed as at each balance sheet date based on development during the year to reassess realization/liabilities and are accordingly provided.

c) Contingent Liabilities

Contingent liabilities are generally not provided for in the accounts and are shown separately in other notes on accounts.
